WOMEN’S AUXILIARY PURPOSE

An Auxiliary provides a wonderful opportunity for every woman in the church, young or old, to work. Women gathered together in Christ’s name…united in His cause…have a feeling of oneness. From this unity and fellowship, there comes a new courage and power for living a more consecrated and dedicated life. The spiritual life is developed as the result of Bible Study, Prayer and Participating in the programs in the regular meetings.

The purpose of the Auxiliary is, first of all, to LIFT UP CHRIST, in the individual lives of its members and collectively as a group. The purpose of an Auxiliary is not, as some suppose, simply a fund-raising organization within the church. Its purpose should be to stimulate interest and zeal in telling of the Good News. We also need to be reminded that we need to encourage and assist in the Bernice P. Borden’s Children’s Band, the Hattie Jackson Guild, Georgia Millers, and other Youth Organizations of the church. Women have a special talent given to them by God, for teaching children and teenagers, and that talent can be encouraged and properly channeled through proper study and association of the women in auxiliary work.

Women have so many opportunities to SERVE. The words of Jesus ring in our ears when He asked, “WHY STAND YE HERE ALL THE DAYS IDLE? GO YE ALSO INTO THE VINEYARD, LOOK ON THE FIELDS, FOR THEY ARE WHITE, ALREADY TO HARVEST.”

OUR GOAL

The Auxiliary is to enlist every woman of the church in the work for her Lord, that her Christian character may be strengthened through Christian Fellowship of other women, and therefore, her spiritual life can be developed through Bible Study and Prayer which will allow for Christ to be exalted throughout her life.

OUR MISSION STATEMENT

“Let your light so shine before men that they may see your good works, and glorify your father which is in heaven.” Matthew 5:16 – John 12:32

Huntington, West Virginia is more than the home of Marshall University. It is the center of the tri-state area on the banks of the Ohio River. It is known as the “City of Churches” for Huntington has more churches per-capita than any other city in America. The Pullman Hotel where we will be housed is the center of the city.

The District Association that includes the City of Huntington, WV was first a part of the Providence Regular Missionary Baptist Association before they formed their own association. They did not break away from Providence but rather presented a letter of request or permission to form their own association. The relationship is very deep between the Districts.

The Pastor of the 16th Street Baptist Church, where our Worship Services will be held and the Pastor of the Antioch Baptist Church, where classes will be conducted are both members of the National Baptist Convention, USA Inc. Rev. Roy Terry, pastor of 16th Street is a member of the Home Mission Board of the NBC USA Inc.
